

Ideal for organizations with highly complex hybrid environments, Flexera One is a SaaS-based IT management solution that visualizes your entire IT estate, from on-premises to SaaS to the cloud, so you can make game-changing IT decisions—all from a single user interface.

Solutions that provide a system of IT insight

Digital transformation is moving at warp speed. Ensuring your IT assets are secure, well governed and cost effective is a formidable challenge. Flexera One has the solutions that will optimize your spend and advance strategic initiatives.

ITAM

Optimize your investments for technology spend efficiency.

Negotiate with vendors from a position of strength.

Stop worrying about risk from audits or software compliance.

FinOps

Improve visibility and allocation of your cloud spend.

Improve efficiency of your cloud spend.

Operate cloud at scale.

Visibility

See across silos for key insights into your IT estate.

Consolidate, normalize and contextualize IT data for strategic use.

Reduce obsolescence, vulnerability and regulatory risk.

Flexera has a long, rich history of helping organizations optimize the value of their technology.
